

CLASSIFICATION: Air Pollution Specialist	Time Base: Full Time	SALARY: \$4204 - \$7899	FFD: Until Filled
LOCATION: Sacramento		DIVISION: Stationary Source	
CONTACT: Pam Clymer		E-MAIL: pclymer@arb.ca.gov	PHONE: 916-327-5987
MAILING ADDRESS: Air Resources Board, Stationary Source Division, Measures Assessment Branch, P.O. Box 2815, Sacramento, California 95812			
DUTIES: Due to the Governor's Hiring Freeze Order, only internal Air Resources Board lateral candidates will be considered. The Measures Assessment Branch (MAB) is seeking an Air Pollution Specialist in the Greenhouse Gas Measures Section. The Section is responsible for developing control measures to reduce greenhouse gas emissions from the natural gas transmission and distribution systems and other stationary sources identified as significant greenhouse gas emitters. Specifically, the candidate will work as part of a team to perform technical evaluations and studies to determine the feasibility, cost effectiveness, environmental impacts and social-economic impacts of control strategies and regulations. The candidate will conduct surveys, review data, prepare clear and accurate technical reports and other documentation related to greenhouse gas emissions. The candidate will also create presentations, fact sheets and public education materials regarding greenhouse gas sources.			
DESIRABLE QUALIFICATIONS: Excellent writing skills and the ability to interact well with the public, co-workers, and others are essential. Advanced expertise in chemistry, toxicology, or other health science is desirable, but other backgrounds such as statistics, engineering, or environmental science may also provide a good fit. Candidates should be able to complete high quality work on time and manage multiple priorities. Knowledge of Microsoft Word, Excel, and Powerpoint is important. The Air Resources Board will consider applications from the Air Pollution Specialist (APS) and the Air Resources Engineer (ARE) classifications. All applications will be reviewed and only the most qualified candidates will be interviewed.
